

Burg Wachter 400-E-50-KA9 - 50mm Magno Key-Alike Padlock

Lock it down with confidence! The Magno padlock is built tough from hardened, chrome-plated brass, with a reinforced shackle and double-locking mechanism for maximum security.

Designed to resist tampering and tearing, it's the padlock you can trust.

Rain or shine, this padlock keeps performing. Rust-resistant internal parts ensure smooth operation and reliable locking, no matter the weather.

Choose convenience with multiple locks? Opt for the **keyed-alike version** and open all your locks with a single key—no more hunting for the right one.

Secure your valuables the smart way—durable, reliable, and hassle-free.
