

Milwaukee – 10mm 1/2" Drive Shockwave™ Metric Standard 6-Point Impact Socket

The **Milwaukee SHOCKWAVE™ Impact Duty** 10mm Socket is engineered for extreme durability and high-torque performance. Designed for professional use, this socket features **high-contrast, long-lasting size markings**, a **non-slip hex geometry**, and a **forged impact-rated steel construction** built to withstand the toughest jobsite conditions.

Key Features

- **Optimised for 1/2" Drive** impact wrenches, drivers, ratchets, and adapters
- **Stamped and ink-filled markings** for maximum visibility and long-term wear resistance
- **6-Point design** made from forged impact steel for superior strength and durability
- **Non-slip hex geometry** prevents rounding of the fastener and socket
- **Dual-hole design + ring groove** for fast and easy attachment and removal
- **Laser-etched part number** for quick identification
- Meets **ASME industry standards**
- Backed by **Milwaukee's Lifetime Warranty**
