

TP01039 Slitting service

Micromax Pty Ltd has been proud to partner with a long-established NSW company that shares our commitment to quality and innovation.

With over 50 years of experience — just like us — our partner is a leader in **large sheeting, slitting, and allied services**, bringing cutting-edge technology and precision to every project.

Through this collaboration, we now offer **custom slitting services** for our premium waterproofing materials, widely used across the construction industry.

Micromax can slit **Bituthene 3000, Bituthene 5000, and Bituthene 6000** to size — providing tailored solutions to suit the specific needs of your application.

This partnership enhances our ability to deliver **greater flexibility, precision, and value** to our clients —
