## Nitto Electrical Tape

### Product Description

Introducing Nitto Branded Electrical Insulation Tape - the ultimate solution for reliable electrical insulation in domestic, industrial, and trade applications. With its exceptional insulation properties and robust adhesion, this tape ensures safety and performance in various electrical projects.

### Features:

1. **Excellent Electrical Insulation:** Our electrical insulation tape provides superior insulation, safeguarding against electrical currents and preventing short circuits, making it ideal for a wide range of applications.
2. **Dependable Temperature Resistance:** With dependable resistance against temperature changes ranging from  $-18^{\circ}\text{C}$  to  $80^{\circ}\text{C}$ , this tape maintains its integrity even in extreme environments, ensuring consistent performance in all conditions.
3. **Versatile Usage:** Suitable for domestic, industrial, and trade applications, Nitto Branded Electrical Insulation Tape adapts to various electrical projects with ease, providing reliable insulation and adhesion.
4. **Multiple Color Options:** Available in a range of vibrant colors including Black, Blue, Green, Red, Silver, White, Yellow, and Yellow/Green, our tape allows for easy identification and organization of wiring systems.
5. **Nitto Brand Quality:** Backed by the trusted reputation of Nitto, this electrical insulation tape ensures superior quality, durability, and performance, meeting the highest industry standards.
6. **Generous Packaging:** Each packet contains 10 rolls of tape, each carton contains 160 rolls of tape, providing ample supply for your electrical insulation needs.
7. **Standard Size:** With a width of 18mm and a length of 20m per roll, our tape offers sufficient coverage for various wiring applications.

### Specifications:

- **Brand:** Nitto
- **Product Number:** 203E
- **Width:** 18mm
- **Length:** 20m per roll
- **Packaging:** Individual or packages of 10 rolls
- **Temperature Resistance:**  $-18^{\circ}\text{C}$  to  $80^{\circ}\text{C}$
- **Colours:** Black, Blue, Green, Red, Yellow, Green
